Who is River City School of Irish Dance

The River City School of Irish Dance is one of Saskatoon's longest-running Irish Dance schools, officially opening its doors in 1996. At River City, we aim to promote awareness, understanding, and love of Irish Dance and Irish culture throughout the local community. We believe so strongly in the local promotion of Irish Dance that we worked hard to help host the 2019 and 2023 Western Canadian Regional Oireachtas in Saskatoon, bringing this prestigious qualifying competition for the North American and World Irish Dance Championships to Saskatchewan for the first time in history.

In the studio, we strive to provide world-class instruction and resources for our dance students to ensure that they have the tools to achieve their goals, whether that be a qualification for the World Irish Dance Championships or 1st Place at a local Feis, we are here to support all dancers equally. Dancers at River City will receive instruction from certified Irish Dance Teachers (TCRG) at every class who have the knowledge and experience to ensure that dancers receive consistent and quality instruction in Irish Dance.

The River City Irish Dance Parents Association is a non-profit entity dedicated to supporting River City dancers through fundraising initiatives and event organization. It has been our pleasure to work closely with the River City Instructors, Nicole and Katie, in an ongoing collaborative effort. Both teachers are talented and certified Irish dance instructors committed to teaching Irish dance and promoting Irish culture in a fun, rewarding, and inclusive environment. River City allows dancers to build character and confidence through a variety of dance instruction including health, nutrition, and life skills. This provides an excellent opportunity for dancers to achieve their highest potential and make life-long friends along the way. The Parents Association highly encourages anyone with interest to reach out and contact the school for further information.
